

LA CLAUSTRA

LA CLAUSTRA, the unique hotel for seminars and individual guests is situated at 2'050 m AMSL, in the heart of the Swiss alps on the San Gottardo pass. Today, the former artillery fortress offers modern conference facilities and comfortable rooms. Its cosy restaurant features an outstanding cuisine with selected culinary specialities of the region.

ALBERGO

Let the calm and tranquillity of the mountain touch you. Enjoy the relaxation at the source of the rivers. Our albergo (hotel) offers 17 stylishly furnished rooms.

There's room for dreams:

- * 4 single rooms with SINGLE beds
- * 5 double rooms with TWIN beds (2 single beds)
- * 6 double rooms with DOUBLE beds (1 king size)
- * 2 triple rooms with THREE beds (1 king size + 1 single bed).

All rooms are equipped with warm and cold water straight from our own wells. Bathrobes and slippers are at your disposal. Spacious showers and toilets (cabs) are available in adjacent rooms, just one door away.

The temperature in the heated and air-conditioned interiors is a pleasant 20-22 degrees Celsius. We recommend light clothes with a sweater or a jacket.

Check-in after 15:00 h (3 p.m.)

Check-out by 10:00 h (11:00 h on Sundays)

WELL-BEING

For a few special moments of well-being, we provide a small steam bath, 2 Japanese Kusatso pools and a water grotto (cold water).

You can book the well-being area (60 m²) for 75 minutes of exclusive use. Price on request.

**RISTORANTE
TREMOLA**

The perfect place to forget about the hustle and bustle of the outside world and enjoy gastronomic peak experiences is our ristorante TREMOLA, the heart of the establishment. Taste our chef's creative, down-to-earth and seasonal cuisine, have a nightcap at the bar or a relaxed chat in the lounge.

Half-board includes a four-course dinner (served after 6.30 p.m.). A wide range of excellent regional and international wines are available in our cantina under the rocks.

We are also happy to cater for groups and individual guests with special lunch or dinner requests. It goes without saying that we are glad to prepare vegetarian meals or to cater for other special diet requests our guests may have. All it takes is a short advance notice.

In the morning (7 to 10 a.m.), an opulent breakfast buffet will get you ready for the day. Tickle your palate with freshly-ground coffee or one of our many special teas.

INDIVIDUAL SOLUTIONS

If you would like to have dinner a little earlier or enjoy breakfast a little longer: no problem! We gladly adapt to your preferences and schedule. Just let us know.

At your wish, we are happy to surprise you with a three-course lunch (menu sorpresa) prepared by our chef with produce fresh from the market. All you'll have to do is tell us a little in advance.

For your special event at LA CLAUSTRA, we can, of course, help you with menu suggestions and organisational support.

SEMINARS

LA CLAUSTRA gives impulse as a host for seminars for companies, educational or any other kind of institution. Just ask for our detailed seminar documentation.

ACCESSIBILITY & MAP

LA CLAUSTRAS is situated halfway between Zurich (CH) and Milan (I), 300 m north of the top of the San Gottardo, on the old paved cantonal road (please, consult the map)

BY PUBLIC MEANS OF TRANSPORT

LA CLAUSTRAS is easily reached by train within 2.5 hours from Zurich as well as from Milan.

There are hourly departures from Zurich main station to connecting trains at Göschenen for Andermatt. From Andermatt postal buses drive up to and over the San Gottardo pass. Taking the train from Zurich through the Gottard tunnel directly to Airolo and approach the San Gottardo pass from the south by postal bus is another option.

Departure from Milan Central hourly, change trains at Airolo and take the postal bus up to the Gotthard Pass (top) from there.

The postal bus runs from end of June to end of September, three times a day. LA CLAUSTRAS's shuttle will pick you up at the San Gottardo hospice. As an alternative, a shuttle from Andermatt, Airolo or Göschenen can also be arranged. Price on request.

You will find your most suitable train connections on the internet at: www.sbb.ch.

BY CAR

LA CLAUSTRAS is easily reached by car within 2 hours from Zurich or Milan.

Approaching from the north: on the motorway A2 (direction south), take the exit at Göschenen, direction Andermatt. From there you take the mountain road to the San Gottardo pass. A few kilometres before reaching the top, a smaller, paved road to your right (a white sign indicating San Gottardo) leads directly up to LA CLAUSTRAS. After approximately three kilometres you will see a large gravelled parking area to your right. There the entrance of LA CLAUSTRAS is right in front of you: a large red gate in the middle of an impressive stone wall.

Approaching from the south: on the motorway A2 direction north, take the Airolo exit and follow the mountain road to the top of the San Gottardo pass. On top, take the exit to your right – to Ospizio San Gottardo. On your right, you will pass a number of buildings (Albergo San Gottardo) and a small lake will be on your left. Follow this old, paved road for about 1.5 kilometres until you see the large gravelled parking area to your left. There the entrance of LA CLAUSTRA is right in front of you: a large red gate in the middle of an impressive stone wall.

OPENING TIMES

At an altitude of 2'050 meters AMSL, weather is always a factor to keep in mind. LA CLAUSTRA's opening times depend on the opening of the mountain road, which is closed during the winter. Generally, the road is open from the end of May to the end of October.

Information about opening times for the coming season can be found on our website as of the beginning of May.
